New Crew:

We are sailors from Ukraine.

We have just got a used boat of Nautivela with valid ISAF serial number 55864.

But unfortunately we still did not get a certificate for this boat.

We know that this boat was racing at the World Championships and has got come through the measurements, so we are sure that it is in the class rules.

We kindly ask you to allow us to participate in Open Youth Italian Championship without the certificate.

Hope for your understanding.

Thank you.
