Request No.: 02

Boat: Scorpion - 1646 - *MISSING*** - Matthew Walker**

Request:

Previous Crew: Mat

New Crew: Mat

Sorry about this.

We did not change places as in my previous message. Ben walker has helmed 1646 in all races and will continue to do so. Mat walker is the crew.

.... he was put of by the sail in the bay but is back enjoying himself again.

Sorry to be a pest.

Mat
