**Request No.: 11**

**Boat: SB20 - SB20 - UAE 3537 - Old Spice - David Whitaker**

---

**Request:**

**Previous Crew:** Philipine van Aanholt

**New Crew:** Nathan Bradley

The gentleman who was meant to be our third Ed Coady, is a doctor and was put on call last minute for this weekend. As such we have been forced to find replacements for Saturday and Sunday. Philippine and Nathan were both only able to commit to one day given work and family commitments.
