Equipment Substitution Request

Received: 2022-06-09 18:00 MDT

Request No: 02

Boat: ILCA 6 - 120 - Falkor 17 - Julie Christensen

Request:

Old Equipment:

Sail doesn't match boat

New Equipment:

Radial Sail #

120

Reason:

Sail # doesn't match boat number

Unsure of serial number as it's a borrowed boat from the Glenmore Sailing School but the boat is # 17 and the sails from the school are numbered from 100-120.

Response: Approved

I expect that your sail number is 120. Please resubmit another equipment substitution request if this is not correct. The hull number doesn't have to match the sail number.
