Equipment Substitution Request

Received: 2023-07-25 08:37 EEST

Request No: 01

Boat: Cruising - Division 2 - 1789 - MY FIRST

Request:

Old Equipment:

New Equipment:

Reason:

dear authority, the back of my mainsail was torn before the finish yesterday. And I have another mainsail that I can use with me, a carbon mainsail. It is the same size as my main sail as measured by committee. I will continue the race with a carbon mainsail as a cruising class boat. Please confirm.
