---

**Request No: 44**

**Boat: ILCA - 7 - GBR 212907 - James Foster**

---

**Request:**

**Old Equipment:**

Bottom section became very bent, I am worried that it will snap at the goose neck

**New Equipment:**

New bottom section

**Reason:**

Bottom section became very bent, I am worried that it will snap at the goose neck

---

**Response: Approved**

Please bring the old section to the training room, with the proposed new section. We can then make sure the new section is to class rules
