

2023 FAREAST 28R European Championship

Equipment Substitution Request

Received: 2023-11-22 18:48 EET

Request No: 01

Boat: FAREAST 28 R - SWE SWE 88 - RODE ORM - Goran Wiking

Request:

Old Equipment:

When we got the assigned rental boat at the lottery we found out during our inspection that the mast was faulty. It had stress damage at the top spreaders. We notified the sailing club, responsible for the boat of this. They informed us that they should replace the faulty mast with a new one. As we were informed the new mast got delayed and arrived first after the competition started, i.e. 21st of November evening.

New Equipment:

A new "Far East 28R" mast was delivered. We were in contact with the technical judge, Mr. Ulrik, who gave us verbal permission to mount the new mast.

Reason:

The risk of sailing with a damaged mast can cause both severe personal and material damages.

Response: Approved

Replacement approved due to mast damage beyond repair.
