

PredictWind 2024 International Moth Class World Championships

Equipment Substitution Request

Received: 2025-01-07 12:59 NZDT

Request No: 19

Boat: Moth - GBR 5168 - Hattie Rogers

Request:

Old Equipment:

Main horizontal V5 (MH-V5)

New Equipment:

Main horizontal V8 (MH-V8) as my second main foil horizontal

Reason:

My V5 flap has broken beyond repair, having spoken to Dave at Mackay. I've only measured in one main foil horizontal as I don't have a spare. The builder doesn't have a like for like warranty replacement for my V5 and can only offer a V8 main foil horizontal for the remainder of the regatta. I'd like to request to measure a second main horizontal, that being the V8 from the builder.

Response: Approved

It will be approved on condition that the broken foil is shown to Allan Punch, Richard Didham, Sam Barnet, Graeme Sutherland for inspection but not one of those from your Country then get Shaun Ritson for the sticker
