

Foiling Week 2025

Equipment Substitution Request

Received: 2025-06-27 18:22 CEST

Request No: 30

Boat: Moth - AUS Unsure - Iain Jensen

Request:

Old Equipment:

Old sail - with old sail number Aus 5087

New Equipment:

New sail with new sail number AUS 5094

(Moth class allows two sails per event - so it is only a sail number change - as I shouldn't need an exemption to use a second sail).

Reason:

New sail arrived - had my hull number on it which is different to my old sail, which has my old sail number.

I need to change from AUS 5087 to AUS 5094

Response: Approved
