Equipment Substitution Request

Received: 2025-09-08 18:08 +08

Request No: 04

Boat: Optimist Gold Fleet - 13&U - SGP 2006 - Rahul Rajakanth Rajakanth

Request:

Old Equipment:

The entire rudder.

New Equipment:

The entire rudder.

Reason:

When I tacked the fibreglass on the tiller broke, revealing the bolts and the internal fibreglass and wood. The tiller is now very shaky with only one bolt keeping the rudder from separating from the tiller. I am afraid that that bolt may break as well, jeopardising the entire race day.

Response: Approved
