Equipment Substitution Request

Received: 2026-04-02 23:18 CEST

Request No: 01

Boat: 29er - Purple - GER 3001 - VOGEL / SCHUNTER Mira / Sophia

Request:

Old Equipment:

mainsail GER 3001 (all days except Friday, April 3rd)

New Equipment:

Mainsail GER 2256 (only Friday, April 3rd)

Reason:

My mainsail got heavily damaged today during a capsize. Repair will not be finished until tomorrow morning and I have to use my old training sail which has a different sail number (GER 2256) only for tomorrow. So I request the permission to use my old sail with GER 2256 only for tomorrow April 3rd as replacement.

Response: Approved
