Reason:

Dear Technical Committee,

as per previous communication, we would like to request that our A3 sail be replaced with our remeasured A1-B, which now complies with the required ratio.

We therefore kindly request permission to carry the A1-B on our chase boat tomorrow so that we can check it prior to Sunday's coastal race.

Thanks

Response: Approved

Please retain the A1-B on the support vessel until after completion of the final race of the day.
Please only complete the transfer to the race boat inside the harbour and after release from the TC from inspection.
