Equipment Substitution Request

Received: 2026-06-06 17:34 JST

Request No: 08

Boat: Tasar - N - 2862 - Wild Gybe - Yoshihiro Suzuki

Request:

Old Equipment:

Reason:

During training on the water today, the foot strap on the port side rear broke, so I purchased a new one from PSJ.

I was worried, so I replaced all four straps.

Response: Pending

Please bring all the foot straps to the TC desk tomorrow morning so we can check the weight

differences.
