Old Equipment:

The diamond stay

[IMG_1950.jpeg 1.62 MB](#)

[IMG_1951.jpeg 1.61 MB](#)

The topmast

New Equipment:

Reason:

The diamond stay is broken and needs to be replaced with a new one.
The topmast is broken and needs to be replaced with a new one.

Response: Approved

The replacement of the diamond stay has been approved.
As the topmast will need to be re-measured after replacement, please bring the original mast and the new mast to the TC desk TC Kazu

The rigging points of the new mast have been measured and the replacement of the topmast has been approved. TC Kazu
