Notice:

After racing yesterday (15th March) the Race Committee were made aware of an error with the published Sailing Instructions for this event. Appendix B (flighting and scoring, ILCA 6) was reused from another event and therefore the number of days racing per series and scoring were incorrect for a two-day event and did not correspond to the published Notice of Race.

The Race Committee recognised that this would adversely affect some competitors and so requested redress on behalf of all affected ILCA 6 sailors in order to publish a revised Appendix B that would be appropriate to this event. The updated Appendix B was published after racing.

Any sailors who would have been grouped in Gold for day 2 (16th March) but would have been moved down to Silver under the revised Appendix B have already been reinstated in Gold fleet for day 2 as a form of redress. This information is provided in the notice to competitors, fleet assignments.
