Notice to Competitors

Number: 12

MOTH CLASS ONLY - FLEET SPLITS

Notice:

We are aware that the 11am Competitor meeting was called at short notice, so will try and delay that start of this meeting to allow more sailors to arrive.

Our proposal to the fleet is to NOT now split the Moth fleet into two groups, but allow every boat entered to sail in one GOLD Fleet.

The reasons behind this proposal are:

1. Around 15 boats entered, but have never sailed.
2. Another 10 boats have now withdrawn - often to due to damage.
3. We anticipate that the silver fleet will therefore be a small group.
4. We want to give all competitors the best practice for the upcoming Worlds.

So if you object to this proposal, please contact me directly.
