Notice to Competitors

Number: 10

Jury policy regarding touching a mark

Source: Protest Committee

Venue: Split

Published: 2025-09-10 11:24

Notice:

During the first 2 days of racing we have observed several boats touching marks and not taking any action.

Sailing is self Policing sport and every boats duty is to enforce therules. Up to now the Int. Jury has not taken action if it belives the incident has been seen by other competitors. Under WS Jury policy the Jury's protest will always include RRS 2.

If a boat touch a mark it must either exonerate herself or if she think she has been compelled to touch the mark she must protest that boat.

For the rest of the regatta the Int. Jury will protest boats that touch a mark and are not taking any action.

This could lead to an infringement of RRS 2 and subsequent a DNE disqualification.

Hans Vengberg
Chief Judge
