Notice to Competitors

Number: 08

Avoiding waiting time for the red fleet

Source: Race Committee

Venue: Arco

Published: 2025-09-15 18:57

Notice:

To avoid the long wait for the Red group, the intention for Tuesday is to start the Red fleet when Blue fleet is rounding the first mark. The Race Committee will avoid the possibility of an overlap at marks. This means a lot less time waiting and a shorter day on the water.
