Notice:

Attention all sailors, parents, and visitors.

Air Quality Advisory: PM2.5 Level Update

Please be advised that the current 1-hour PM2.5 reading is at **60 (Band 2: Elevated)**.

To ensure everyone's safety, please take note of the following guidance:

- **Outdoor Activities:** All outdoor activities should be reduced immediately.
- **Vulnerable Individuals:** Children, the elderly, and those with pre-existing respiratory conditions are strongly advised to remain indoors.
- **Indoor Shelters:** The auditorium and classrooms equipped with air purifiers are open for anyone needing to stay indoors.
- **Sailors & Parents:** All sailors and parents are warmly invited to come inside and make use of these air-conditioned spaces.

We are continuously monitoring the air quality conditions and will provide further updates as needed.

Thank you for your cooperation.
