#### **Notice:**

Amendment 2 to the Sailing Instructions Archie Walker race.

Amendment 1, which was published May 22, added Sailing Instruction 7.3 (Hazard Zone) to SI 7 (The Course) to safely and fairly route boats around the Ashbridge's Bay Treatment Plant Outfall Construction Zone. Amendment 1 no longer works due to changes in the equipment and buoys in the construction zone.

This amendment deletes Amendment 1 and replaces it by

#### **7.3: Hazard Zone**

7.3.1 There is a large work barge carrying out diving operations approximately one nautical mile south of the ABYC harbour entrance near the following coordinates: N43 37.940 W79 17.949.

7.3.2 On any leg of the course, boats shall leave 0.15 nm (approximately 900 feet or 300 meters) clear of the barge.

7.33 There are two other buoys east of the barge construction zone. They are inside the exclusion zone and thus are considered part of the exclusion zone.
