Description

FRA 071 WAS STOPPED at race 7 ON PORT AT THE START right on the pin end, one length under the line. AT +2 SEC after start, BOAT Number X came on startboard (we dont have the sail number). Although we tried to avoid contact after bearing away fully, we hit them almost with no speed on the back almost at the rudder. Right after the hit, we did à 360° penalties right in the front of the pin end boat that will probably witness the penalty. No damage seen on our boat and we believe on boat X.
