#### Description

I was at the start I followed myself in the last third of the viewfinder I launched my boat, then 30 seconds after the boat ITA 213019 I refused starboard and did not hesitate to pass despite the fact that there was no place

I couldn't avoid contact because we were too close

Because of this refusal my boat to desalt so I found myself next to the viewfinder in the last boat

I raised my hand and shouted protest

Then the boat left the race
