Question for Officials

Date: 2019-08-26

Question No: 03

Question For: Race Committee

Question:

We appear classified as non-Corinthian on today' practice race. All of our crew members are classified Group1, including Mr F. Peroche. It should be noted that Mrs Plante moving from Australia to France - i.e. change of address - has duly asked ORC for confirmation of her classification, but no answer received yet). Would it be possible to get ranked as Corinthian on today's race and from now on?

Answer:

At this time this is matter of Organizing Authority and Race committee and should be solved with them. If not secsesfull it's still open possibility to Request Redress
