## Question for Officials

**Date: 2022-06-23**

---

**Question No: 02**

**Question For: Protest Committee**

**Question:**

Can the vang be used to manually pull the main sail across from one side to the other while gybing?

---

**Answer:**

No.

The use of the vang to pass the main sail from one side to another while gybing is to facilitate the manoeuvre and falls under SI C2.22 and can be penalised by the umpires under C2.23
