

XVIII Copa del Rey Vela Clásica Menorca

Question for Officials

Date: 2022-08-26

Question No: 02

Question For: Race Committee

Question:

Annex 4 shows a confusing starting line. It appears the port end is on shore and its not clear what the starboard end is.

SI 9.1 describes a starting line to be between a "staff displaying an orange flag and the course side of the port end mark (Start pin)" which is defined as an Orange Inflatable in SI 8.1 SI 8.1 is mute about whether the aforementioned staff is on a boat, and whether the Orange inflatable could be on shore. Can you please clarify the confusion caused by the diagram in Annex 4. Is the Orange inflatable going to be on shore? Will the staff displaying an orange flag (starboard end of the line) be on a committee boat - or will it be an anchored buoy or some other object.

Thank you,
Peter Isler

Answer:

Starting line - Staff displaying orange flag on Race Committee boat and orange inflatable mark on the water
