Question for Officials

Date: 2022-08-26

Question No: 04

Question For: Race Committee

Question:

How do we see the answers to questions from other competitors? (And how do other competitors see the answers to our questions?)

There doesn't seem to be a link for that on the web site.

Thank you, just trying to help
Peter Isler

Answer:

How do we see the answers to questions from other competitors?

RC - For the moment no questions from other competitors.

(And how do other competitors see the answers to our questions?). There doesn't seem to be a link for that on the web site.

RC -No links for these items as they are individually submitted questions and the answer is only available to the Competitor submitting the question.

Only Official documents available to all boats are published on the website.

Thank you for your observations.
