Question for Officials

Date: 2022-09-30

Question No: 07

Question For: Technical Committee

Question:

Hello,

my name is Tamas Deak from Hungary.

In the document that was posted on Telegram my fuselage's registered number is marked red. (name of document: EquipmentRegistrationList-EC2022-20220925-HP-Marked.xlsx)

I see that other riders with Levitaz use the same serial number on the fuselage on the front wing. So please change mine to G446870

10461025

Answer:

Number updated during Equipment inspection
