## Question for Officials

**Date: 2022-10-11**

---

**Question No: 24**

**Question For: Technical Committee**

**Question:**

I can't get the sardegna stickers to stick on my board. I cleaned my board with windex. Then yesterday cleaned with alcohol and left in the sun. Stickers fell off while riding. Spoke to TC and explained I don't want to have them floating in the ocean. What should I do?

---

**Answer:**

After inspection of the board and test application of the sticker the technical committee approves the removal of sticker for USA72.
