## Question for Officials

**Date: 2022-10-11**

---

**Question No: 01**

**Question For: Organizing Authority**

**Question:**

Hi, at yesterdays registration I had changed my sailnumber on all the necessary forms from 217279 to 220286, however, on the entry list and as well on the fleet assignment I still appear to have the old number. Is there anything else I have to do to change it?

---

**Answer:**

The change has been noted and the records will be updated. Please use the flight colour as listed against either of the numbers (old or new number)
