**Question No: 01**

**Question For: Race Committee**

**Question:**

in the Waszp/Moth/FP sailing instructions, can you please clarify the courses diagram of attachment A and marks to be rounded?

Both on courses L2 and L3 the third mark to be rounded is 1P/2S, this is probably a typing mistake, but please clarify. Thank you!

---

**Answer:**

Thank you, a change to the SIs has been published.
