Question No: 02

Question For: Race Committee

Question:

Good evening,

I was flagged by the jury because of rule 42 in race 6. I did my 2-turn penalty as required and sailed the race to the finish as it is supposed to be done.

Now I recognized that I was scored with a DNE in this race. Why did you get to this decision?

It was my first flag in the regatta so a two turn penalty should be enough.

I would appreciate if you could clarify this decision.

Best regards
Sebastian
