**Question No: 02**

**Question For: Race Committee**

**Question:**

The Asian Games is a continental qualifier for the Olympics , please can we use the same STR permitted equipment that we had at the last qualifier in The Hague . In particular the use of mobile phones . It's not for communication whilst in the race area but for checking documents and making video . If not we need to print copies of all documents on each coach boat and buy new cameras. Bill O'Hara Rules Adviser HKG
