Date: 2023-12-09

Question No: 04

Question For: Organizing Authority

Question:

Dear Organiser authority and PRO,

Thank you for your answer,

According to your answer organiser authority verified the (rule or criteria) 19.1 for all participants accepted to race,
in this case all sailors accepted to race are eligible and comply with Qualification system document published by world sailing and precisely C.3.e.

1) PRO can confirm that he had 100% confirmation and proof from organising authority that all athletes comply with Notice of race 19.1 before validation and signature of the final results?

2) organiser authority can confirm without a doubt and proof that all athletes comply with notice of race 19.1 ?

"organiser authority was clear on 19.3" and says the opposite

Regards,
