Question No: 02

Question For: Race Committee

Question:

SIs 13.3 prescribe that the "fixed marks" are to be left to the indicated side. However we couldn't find elsewhere in the SIs the indicated side to which the fixed marks are to be left. Can you please specify?

Answer:

The "fixed marks" are Cardinal marks.

They must be left on the official required side (for safety) and not rounded.
