**Question No: 08**

**Question For: Race Committee**

**Question:**

Dear committee,

Immediately after docking the boat a fender flipped over, causing our starboard foil to collide with the dock. This incident caused some small scratches on the upper part of the foil. We hereby request to allow us, or the fleet manager andrea Perone,

to use sand paper to fix the damage. I attached images that document the damage.

Kind regards  
Maximilian Kuester
