## Question for Officials

**Date: 2024-07-28**

**Question No: 01**

**Question For: Race Committee**

**Question:**

NZL requests that two crew plus a skipper be allowed in each support Rib. This would bring the total on board to three rather than two. We have a large number of supporters that have traveled from NZL that would like to help assist our sailors and coaches.

Thank you. Regards.
