

Irish Dragon Championship incorporating Irish Grand Prix (Grade 1)

□ Question for Officials

Date: 2024-08-23

Question No: 01

Question For: Race Committee

Question:

Please can we apply for permission to weigh a crew member either late on Wednesday or on Thursday morning before the briefing due to travel schedules.

Please can we also apply for permission to sail with a different number on one of our spinnakers - sail is red and shows TUR1212 instead of our IRL 45 sail number.

Many thanks in advance
Ben

Answer:

Transferred to an equipment substitution request, which should now be answered by the Race Committee.

This was the wrong entry for this request. Mike Butterfield Jury
