**Question No: 03**

**Question For: Race Committee**

**Question:**

Dear Race Committee, regarding the ranking list which is on the Vele d'Epoca 2024. The results are not changed yet on the website. And on the other hand Aria was using a radial cut also today. I hope you recognize this even on the starting vessel at the finishing line. Yesterday the crew of Aria have been 8 people on board the class rules of the 8 Metre class which allows for the Classic yachts 7 crew. I don't know how you handle this case.

---

**Answer:**

Yes, ranking updated for race 1 and race 2  
Best regards
