Question For: Race Committee

Question:

Dear Race Committee, I am writing to request dispensation to carry and fly spinnakers with an alternate sail number. Whilst we have spinnakers correctly numbered 'UAE 380', we would also like to carry and use the below sails: White Spinnaker with the sail number UAE 3066. White Spinnaker with the sail number GER 7030. White Spinnaker with the sail number GBR 7530. I confirm that the sizes and quantity of all spinnakers carried are compliant with our IRC certificate. Thank you for your consideration
