Question for Officials

Date: 2025-02-27

Question No: 02

Question For: Race Committee

Question:

For Three Tree Point halfway time - NOR says record rounding time when Buoy C has a bearing of 180-degrees... Since this is a starboard rounding, shouldn't that be 360-degrees?

Answer:

We are aware of this and in the process of correcting. Should be 360.
