**Question No: 01**

**Question For: Race Committee**

**Question:**

If an athlete has competed at the princes Sofia regatta in 2025, does it still make them eligible for the Canada summer games 2025? In the technical package it states "cannot have sailed in a World Cup"

---

**Answer:**

The Trofeo S.A.R Princess Sofia Regatta is a Senior World Cup event. As outlined in item 4 in the 2025 Canada Summer Games Technical Package for Sailing, sailors who have competed at a Senior World Championships are excluded from the games. Sailors who competed at the 2025 Trofeo S.A.R Princess Sofia Regatta are not eligible for the 2025 Canada Summer Games.
