

RS Aero European Championship 2025

Question for Officials

Date: 2025-04-26

Question No: 01

Question For: Protest Committee

Question:

Hi
Just looking for clarification regarding a scoring penalty I received in race 7.
I took the 20% penalty rather than going to protest. I placed 14th in the race and there were 46 starters. 20% of 46 is 9.2 plus my finishing position of 14 is 23.2
. I have been given 28 points is this correct?

Answer:

The Appendix T Post-Race Penalty is 30% of the score for DNF, calculated as described in RRS 44.3(c).
As with other scoring penalties, there is no change to the finishing order of other boats in the race. Therefore, two boats may receive the same score.
The correct score for GBR 4374 in Race 7 is: finishing position (14) + 13.8 points = 27.8
The finishing position does not change.
Any error will be fixed.
