

## 2025 GNS Sér Question for C

**Date: 2025-07-03**

---

**Question No: 03**

**Question For: Race Committee**

**Question:**

Can you let me know what is the procedure if I want to sail with different mainsail numbers, or even a sail or two with no numbers at all? I have several different mainsail shapes that I want to try out over the next few weeks. One has 8361 on it, the other is blank, and a couple of them just have Canadian flags on them. I want to see which one will be best for the second series.

---

**Answer:**

Good day Rick,

Each time you sail by the committee boat, be sure to hail "6-7-5-6", regardless of what sails you have, and that's is the sail number the R/C will score you under.

Frank
