

# Canada Summer Games 2025

## Question for Officials

**Date: 2025-08-07**

---

**Question No: 03**

**Question For: Technical Committee**

**Question:**

Are Nob life jackets approved to be worn by the competitors in the CSG 2025?

---

**Answer:**

**Revised Response Thursday August 7 2025.**

The NoR was revised to answer this question. NoR 1.7 states in part "Every competitor shall wear a personal flotation device conforming to the Canadian standard, or to minimum standard ISO 12402-5, USCG Type III, or AS 4758, or equivalent. As an exception permitted in clause 216 of the Small Vessel Regulations (Canada), competitors are not required to wear PFDs which meet the Canadian standards under that Act as there will be safety vessels on the course carrying 2 available Canadian standard PFDs."
