

Canada Summer Games 2025

Question for Officials

Date: 2025-08-07

Question No: 05

Question For: Technical Committee

Question:

Are these life jackets able to be used at the CSG 2025 for sailing?

[IMG-20250729-WA0000.jpeg 247 KB](#)

Answer:

It appears to be an ISO 12402-5 certification but weight of user must match the certification size. Please see the answer to question #3 above and NoR Amendment #2 for more background. That certification number is acceptable if the additional qualifications on the label are met.
