Question for Officials

Question No: 03

Question For: Race Committee

Question:

The Sailing Instructions 7.3 specify for Course 1 that the Gibraltar Buoy be left to starboard. Is that really what you want, or is it simply a remnant of the Course 2 requirement?

Rounding it to starboard would force the lead boats inshore of the arriving boats into the shallow waters of the island and make it more difficult for them to cross the incoming boats to get back out in the lake. A port rounding would be more common and would avoid this conflict.
