Question for Officials

Date: 2025-08-12

Question No: 02

Question For: Race Committee

Question:

Hello, why are 4 races scheduled for tomorrow when in the NOR (9.2) it says that there is a maximum of 3 races to be sailed each day? Thankyou, Lucas.

Answer:

Thanks for your question. The NOR 9.2 states there is a maximum of three races, and SI 7.2 describes the schedule.

In the NOR there is also NOR 1.10 which states that the SI's take precedence and the expected schedule by day is posted in the SI's under SI 7.2. SI 7.3 describes how the schedule may be changed. This needs to be posted on the ONB before 1900 hrs the evening before. This has not been done yet and is work in progress. By taking an extra day for the qualifying series we are endeavouring to maximise the number of races in that series. See SI Appendix B. I hope that clarifies the position for you and thanks for the question
