**Question No: 02**

**Question For: Race Committee**

**Question:**

Good morning I've just realised I've entered in the wrong class for the 4 day yacht racing. We are showing as IRC and I meant to enter in YTC. Can we change this please and sorry for the confusion.

Our sail number is GBR2215X and boat entry name is NG Moto (registered name is Shark Bait)!

Regards Nick Griggs (by email)

**Answer:**

We will change you to YTC and you will be in Cruiser 2 (Peter Boote by email)
