**Question No: 04**

**Question For: Race Committee**

**Question:**

I am wondering why after a minute then you will call ocs? I understand wanting to be correct. I also understand it is a privilege to hail over the radio. But the argument to take a full minute could really hurt some sailors.

At any rate our team hopes this is that whatever the process is that it will be followed the entire event. Our team also wishes that if it does not have to take a full minute or so to get the ocs numbers out that the numbers should be called immediately. Thank you
