

2021 Cascais 49er and 49er FX Championship - ACT I

Question for Officials

Date: 2021-05-04

Question No: 01

Question For: Race Committee

Question:

Hi. I registered yesterday with a gennaker that is an old Olympic one from 2016. This morning I realized I might need to have your permission to sail with that. So my question is - is it okay for us to sail with the old Olympic gennaker for the races? On Lanzarote we sailed with the same one. Thanks in advance. Best Laura

Answer:

The RC allows DEN 916 to sail with the old olympic gennaker
